

Take Control of Your Organization

Big Picture™ for EMS Organizations

Tim Meyer of the North Dakota Division of Emergency Medical Services knows that providing real-time online services are key to organization management. Big Picture™ EMS Organization Management Software helps managers maximize efficiency by eliminating support issues.

“ Our rural ambulance services vary greatly in size and resources. This application allows us to verify North Dakota EMS provider credentials from anywhere with Internet access. There is no software to download, no compatibility issues to resolve, and, for us, fewer resources spent answering questions.”

- Tim M. Meyer, Director,
North Dakota Division of Emergency Medical Services

From creating **website** content to managing your **members**, Big Picture™ provides the tools you need to succeed.

Take Control of Your Organization
