

# LOCUM TENENS MANAGEMENT

## Big Picture™ for Locum Tenens Management

National Medical Resources; a firm providing medical recruitment, retention and manpower assessment services to medical facilities nationwide, utilizes Big Picture™ Medical Scheduling Software to schedule medical personnel and track hours worked.

“After implementing our Big Picture™ solution, administrators found that scheduling providers became much more streamlined, and providers especially appreciate the ability to choose shifts that fit their schedule anytime online!”

**Dr. Huber**  
Owner, NMR

**Manage Facilities & Locum Providers in an online environment that provides a secure paperless scheduling system.**

# LOCUM TENENS MANAGEMENT
